The Freston Foundation Financial Awards

The Freston Foundation make financial awards to former Students of Freston who have completed a term on a degree course at a University.

If you have a sister or brother or another relative or friend who was at Freston and who has just done a term at University they are very likely to be eligible for an award. They can obtain an application form from Mrs Bailey, the Business Manager to whom it should be returned on completion'.

Many thanks

Mr J Seed

Foundation Trustee
